

GSM Phone Dialler

PROTECTION FOR YOUR PHARMACY VACCINE REFRIGERATOR

Our **GSM Phone Dialler** allows monitoring of your pharmacy fridge remotely with a simple text messaging service to your nominated phone numbers to indicate power on or off.

Using this device allows you to control the product in the fridge to ensure it does not go outside the range of temperature when the power switches off.

Easy to setup and control using simple text messages from your mobile phone.

Receive warning text messages or even switch the fridge on and off remotely using your phone.

- Requires a GSM sim card.
- SMS charge not included with device.

Sim card inserts here

Monitors power 24 hours a day

Monitor your Pharmacy Fridge remotely with a simple text messaging service to your nominated phone numbers to indicate power on or off.

Serving the Scientific, Medical and Research industries since 1945
